

A detailed technical line drawing of a mobile container unit, likely a mobile crane or lifting platform. The unit is shown from a three-quarter perspective, highlighting its rectangular body, access doors, and a crane mechanism extending from the front. It is mounted on a chassis with a single large rear wheel and a smaller front wheel.

Technical drawing of the front view of the machine. The drawing shows the main body of the machine with a control panel on the left side. The control panel features a grid of buttons and a small display. The machine is mounted on a base with four wheels. Dimensions are indicated: 1677 [66,03] for the total width and 1540 [60,62] for the width of the main body.

-Representation with a tyre impression of 14mm (max. 29mm).
